

How will your pledge help the children?

<p>We provide education and school for the blind</p>		<p>We give them a loving home and a good start to life</p>
	<p>We provide physical therapy</p>	
<p>We support our local community</p>		<p>We provide medical and healthcare services</p>

We provide home and care for children living with disabilities

The Camillian Home is a unique facility designed to allow each child to receive specialized care and treatment in an environment that encourages and develops the capability of each child, regardless of the severity of their condition. The children are stimulated mentally and physically thanks to full-time caretakers, physical therapists and a resident nurse. Camillian Home is often the last hope for these children and accepts all regardless of race or religion.

Who do we look after?

We look after orphaned/abandoned children with disabilities, abandoned disabled children with HIV/AIDS and provide day care service and transportation for local disabled children living in poverty.

The Home receives very little government support, but instead survives on the generous support and donations from individuals and corporations. Help us to help children who would otherwise have no chance of a future.
